

BUILDING A SAFE & SUPPORTIVE COMMUNITY

Call or text 911 for any emergency requiring police, fire, or medical assistance.
If non-emergency, call 520-621-8273 (621-UAPD)

Welcome Wildcats!

Everyone plays an important and active role in our centralized vision for University safety.

Would you like to learn more about public safety on campus? Scan the QR Code to find the campus safety checklist, Wildcat Safety Guide, building emergency plans and more.

We want to hear from you!

The University and the public safety teams are committed to creating a safe environment that meets the needs of our students, employees, and visitors.

We value the voice of our community members. Please email us at publicsafety@arizona.edu to share your feedback or ideas with us, including safety-related content you would like to see on our website.

- Campus bicycle services

SAFETY INITIATIVES

Incident Command System

The University of Arizona has been and continues to operate an Incident Command System (ICS) to implement safety measures the university wants to proactively address.

UArizona ran an ICS to assess and develop solutions for COVID-related challenges. This standardized management system is not new to the university.

Notable Changes and Initiatives

- Created the Office of Public Safety.
- Created the Wildcat Safety Guide.
- Organized a Campus Safety Commission, made up of faculty, staff, students and community members.
- Announced a mobile crisis team.
- Updated Threat Assessment and Management Team (TAMT) process and capabilities.
- Dr. Jessie Semmann started as the TAMT director on Aug. 21, 2023.
- TAMT Incident Report Form.
- Updated TAMT website
- University leadership is participating in tabletop exercises, with more training opportunities planned for faculty, staff and students.
- Added locks to classroom doors.
- Created All-hazard posters installed in classrooms.
- Added message boards were added to classrooms.
- Updated UAlert.
- Established Mandatory Active Shooter Training for all employees.
- Created campaign with proactive messaging on campus safety, mental health, UAlert and TAMT.
- Generated interactive campus map includes building emergency plans, locations for automated external defibrillators (AED) devices, emergency phones and more.
- Updated 170+ individual campus Building Emergency Plans guided by the Office of Emergency Management, Risk Management and Facilities Management (FM) working with FM Building Managers
