WORKALONE

WorkAlone

WorkAlone will automatically check in on you while working or studying alone and can automatically trigger a call to your personal contact if you fail to check in at the pre-determined time.

FRIEND WALK

Friend Walk

Send your location in real time to a friend so they can watch you as you walk to your destination. Your friend can trigger a call to emergency services if necessary.

SOCIAL ESCAPE

Social Escape

This feature allows you to get out of a tough social situation by calling you and giving you an excuse to leave.
